FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Mr. Dennis J. Klautzer  
4228 Weatherton  
St. Charles, Missouri 63304

Dear Mr. Klautzer:

This is in response to a petition for rule making which you filed requesting the allotment of Channel 229A to Sweet Springs, Missouri, as that community's first local FM service.

We have reviewed your proposal and find that it is unacceptable for rule making at this time. Channel 229A at Sweet Springs is short-spaced to an application for Channel 229A at Warsaw, Missouri. Although a Report and Order has been released in MM Docket No. 90-66 which substituted Channel 253A for Channel 229A at Warsaw, a petition for reconsideration has been filed in the proceeding. See 7 FCC Rcd 3015 (1992). Our policy is to return petitions for rule making that are dependent upon final action in another proceeding.

Based on the above discussion, we are returning your petition for Sweet Springs, Missouri. You may refile your petition once MM Docket No. 90-66 has been terminated, provided Channel 229A is deleted at Warsaw. Alternatively, you may wish to determine if another channel is available.

Sincerely,

Michael C. Ruger  
Chief, Allocations Branch
